International Cyclones!

Orientation exists to help new students (like you) prepare for their time at Iowa State University (ISU). We will cover a wide range of topics to help you succeed at ISU. Please do not hesitate to ask questions at any time during orientation. The International Students and Scholars Office (ISSO) is here to help.

A note about punctuality:
Please arrive on or before the listed times of each event, and plan to stay until the end. It is essential that you are on time to events and meetings. In the U.S., late arrivals are considered very impolite.

ENGLISH PLACEMENT TEST

English Placement Test (EPT) helps your advisor know which English course is best for you to enroll in. This is not the TOEFL and does not replace the TOEFL. This test is designed to help you get in the right English course your first semester to help you be successful at ISU.

Visit https://apling.engl.iastate.edu/english-placement-test/ for more information.

Date: Tuesday, June 5, 2018
Time: 8:30 AM – 10:00 AM (Students must arrive by 8:00 AM)
Location: TBA

Note for Exchange students: EPT is not required unless you are taking advanced English classes.

ALEKS MATHEMATICS PLACEMENT TEST

All new students must complete the ALEKS Mathematics Placement Test before their advising appointment. This test is internet-based and adaptive. Allow one to two hours to complete. You may take this test at an ISU computer lab or any computer with reliable internet access.

Visit: https://math.iastate.edu/academics/undergraduate/aleks/ for more information.

TUITION PAYMENTS

Your tuition can be paid all at once or by monthly payments. You can pay with an American bank account or an international bank account. Visit AccessPlus to make your payment online. Your U-Bill (University Bill) is electronic, created on the 1st of each month, is due on the 20th, must be paid on time to avoid additional charges. Please contact Accounts Receivable for clarification on when your U-Bill is due at (515) 294-7388 or by email ubill@iastate.edu

U ST 110 - INTERNATIONAL FIRST YEAR EXPERIENCE SEMINAR

U ST 110 provides timely information and support for new international undergraduate students in their first semester at Iowa State. It is important to register for this course right away! Please note that this course is required for all new international students. When meeting with your academic adviser, please ask them to help you register for U ST 110 seminar as well as a recitation section (your advisor will know what this is.)

Cultural Ambassador Program

The Cultural Ambassador Program is for all students. We pair International and American students to create friendship and support at ISU. Both international and American students become Cultural Ambassadors through this process. The American Cultural Ambassador helps international students in many ways. They will be there to have conversations in English. They will answer your questions about U.S. culture, academic experience, and ISU rules and regulations. Students in the Cultural Ambassador Program can play sports, go shopping, study for exams together, or attend special ISSO events!

I-LEAD

The International Leadership Education Academy for Development (I-LEAD) program is designed by the International Students and Scholars Office (ISSO) to assist undergraduate international students in developing leadership skills and to enable them to succeed in the United States and in their home countries. Program participants will attend a non-credit bi-weekly seminar for Fall and Spring semesters. In addition, students will be expected to complete assignments outside of the seminar to enhance their professional development and knowledge of leadership. Participants will also receive a $500 scholarship.

Visit [www.isso.iastate.edu/programs-and-events/i-lead](http://www.isso.iastate.edu/programs-and-events/i-lead) for more information.

Applications for Fall 2019 - Spring 2020 will open in Spring 2019

If you have any questions, please contact ISSO Programming Graduate Assistant, at issoprog@iastate.edu.
STUDENT ACTIVITIES CENTER

Student Activites Center (SAC) is the main department working with Student Organizations and clubs. It organizes various student related events throughout the semester like ISU Afterdark. It also organizes Cybowl and Billiards, the Workspace and the Maintenance Shop.
