H-1B

For citizens of Canada or Mexico entering the US for employment: TN visa status is a recommended option.

For citizens of Australia entering the US for employment: E3 visa status is a recommended option.

*This enables citizens of participating countries (listed on next page) to travel to the US for tourism or business stays of 90 days or less without obtaining a visa.
Currently, these 36 countries participate in the **Visa Waiver Program (VWP):**
